

## **May Family Services Committee Report**

The Diaz family Dedication took place Sat May 9. The Littlefield family Dedication took place on May 16. The Murray family Wall Raising took place earlier in May.

We have recommended one family to be approved by the Executive Board of Directors in June. The deadline for accepting applications is May 25. We will wait to find out if other families will submit an application. We also had one application denied.

Roger submitted a revised Home Visit form. The committee made a motion to accept the form and present it to the Executive Board in May if possible. Roger has been appointed to do this.

Nancy Wessel

Co-Chairman of Family Services Committee
