

Family Service Committee November Report

The families are working on their sweat equity hours.

November 14th is the Wall Raising for Weinel and Howard in Inverness.

Levine and Rhodes will also have lots near them in Inverness.

There are three lots in Crystal River that the next three families who have enough sweat equity hours will receive.

The next orientation will take place on January 9, 2010. The committee members received a page of interested people to call after Christmas to remind them about the Orientation.

We will not have a meeting in December.
