

April Family Services Committee Report

We recently had two new families sign the Letter of Intent. The new partners are busy working on their hours, some faster than others.

Weinel and Howard's Dedication took place on April 17. The Rhodes Dedication will take place on May 8. There will be some Wall Raising's coming up soon.

One family who sign their Letter of Intent had not started their hours or classes. They have not called. So they are in default of their agreement.
